

## Interchange 3 - Oral Tests

### Unit 5

#### Objectives:

- Talking about moving abroad
  - Expressing emotions
  - Describing cultural expectations
  - Giving advice
  - Using noun phrases containing relative clauses
  - Talking about expectations: the custom to, (not) supposed to, expected to, (not) acceptable to
- 

#### Student 1

You are an alien who wants to go back to your planet because the customs on Earth are very different from the ones back home.

Tell **some earthlings you met** about the customs in your **planet** and what you expect other people to do or not to do. Discuss the differences between **Earth's** and your **planet's** customs.

Also, you **miss** a lot of things from home and you have many different **negative feelings**. Talk about those feelings. **Use noun phrases: one thing / the thing / something (that).**

---

#### Student 2

You are an earthling. You meet an alien who wants to go back to his/her planet because he/she **misses** a lot of things from home, because he/she has different **negative feelings**, and because he/she is suffering from culture shock.

Talk about culture and the alien's feelings. Give your own opinion. What would you miss from Earth if you moved to another planet? **Use noun phrases: one thing / the thing / something (that).**

**Student 4**

You are an earthling. You are given the chance to leave Earth and move to another planet.

Tell how you feel about moving there, use the adjectives studied in Unit 5. Tell about:

what you'd be uncertain about

the person you'd miss the most

what you'd be anxious about

the thing you'd find most exciting

} Use **noun phrases**.

Tell about the customs in that **planet** and what they expect other people to do or not to do. Compare that information to the customs in **your planet**.

---

**Student 5**

You are an alien. What should a visitor to your planet know about local customs? Make a list and tell your earthling friends about it. Include these points:

greeting someone

dressing appropriately

eating in public

tipping

visiting someone's home

using public transportation

If you had to move to Earth permanently, what would you miss about your planet? How would you feel about moving here? Tell about it.
