Travel Items

- First-aid kit: includes: band aids, alcohol swabs, pills, a re-hydration kit (for severe diarrhea or vomiting), nasal decongestant, antacid, insect repellent, etc.
- Backpack - a school sized pack - one you can carry on to any airplane
- Cash - usually take several different denominations
- Camera - bring 1 extra battery-may be optional for some people
- Credit cards - take several types, Visa, MasterCard, Amex, Debit ATM card
- Electric shaver - or simply a razor to save space & weight

- Garbage bag - use this in case of rain
- Money Belt - use one that fits around your waist - this is where you will store your money, credit cards, passport, plane tickets or any other important documents, map, etc.
- Photocopy of Passport kept in a different place than the actual passport
- Ziploc Bags - bring several sizes, they are good for storing items - the large ones can be used to waterproof your clothing when you pack
- Pants, shorts, swimsuit, socks, sunglasses, T-shirts, underwear, hat, etc.
- Pen, a compass, watch, toothbrush and paste, calculator, comb, lock/key - small locks are good for securing your zippers & bags, sunblock lotion, vomit bag, etc.
- Lightweight shoes for hiking - be sure they are well worn in before your trip
